

Friday Awards Banquet & Hospitality Suite - April 21

Gift Basket Giveaway - donate, participate, and win!

Show us why you love your locality, firm, law school, or organization and win bragging rights!

LGA is collecting basket donations for a drawing during our awards banquet. Gather items with a minimum value of \$100 and pack in a basket (you can be creative on your idea of a “basket”) with your locality, firm, or organization’s name clearly displayed (and list of items, if difficult to identify). Our attendees will be given tickets which they will drop in a bag next to their basket of choice. Drawings will be during our awards banquet and winners must be present to win. The basket provider with the most tickets wins bragging rights!

Donation opportunities are open to all members. Consider donating today!

- Develop a unifying, creative theme (relaxation and health, a taste of the area, my favorite things).
- Baskets need to be:
 - easily transported;
 - securely contained;
 - able to fit in a 2’ x 3’ area;
 - cannot weigh more than 20 lbs;
 - have a minimum value of \$100; and
 - delivered to the registration desk on April 20 by 4 p.m.
- Don’t want to lug a big basket? Consider a “basket” of gift cards.

Social Events - RSVP to save

The conference registration form includes an area where registrants indicate the social events they plan to attend. LGA staff uses these responses to determine the number of meals to order, and we have found that far fewer folks attend than check the box. If you plan to attend the banquet, great! Please do! If you do not plan to attend the ONP or banquet, please do not check the box indicating that you plan to attend. This will save LGA thousands of dollars that can be spent on other meals, breaks, giveaways, and other program features.

Please share this with assistants if they register you/your office, and remember don’t check to reduce our check!
