

## PARTNER LEVELS

For almost 50 years, LGA has been the primary supporter of local government practitioners throughout the Commonwealth. For large and small localities, and firms with a single shingle or a global presence, LGA furnishes specialized legal education and publications, provides on-line forums for support and the exchange of ideas, and acts as a public policy resource for legislative commissions and committees, and as amici in significant local government litigation. Your support at the following levels allows LGA to remain a major proponent of professional growth and knowledge exchange among legal practitioners in local government law.

Process: Sponsorship is confirmed before September 1 and invoice is sent to the designated Partner Sponsor contact by September 15 with payment due by February 15. See descriptions for various payment options.
